# Auction *Venue*

The auction venue is a roof covered area of 75m x 35m (2625 square meters). Although it can be used for different functions and events, it is great for livestock auctions.

## LOCATION

- We are located just 25km from Bloemfontein with easy access to the N1 making it centrally located within South Africa;
- There are large spaces for multiple events thus attracting a large number of people in one go;
- There is plenty of space available for the setup of large and small scale branding;
- It is a safe environment;
- There is ample parking.

## LIVE STOCK AUCTION FACILITIES

- The auction venue is measuring 75m x 35m (2625 square meters);
- Thus it provides roof pens for livestock:
  - Sheep (150 pens)
  - Cattle (100 pens)
  - Horses (130 stables)
  - Game Bomas (110 pens)
- The venue has easy load-in / load-out facilities, a live stock sales area and an auction ring;
- There is seating on the pavilion for up to 450 people, but can cater for more depending on how many people are expected to attend;
- There are rostrums (Cattle & Sheep/Goats);
- Feeding troughs, water troughs, bedding and feed bales are the responsibility of the breeder but can be arranged in advance should you wish us to provide this.

## OPTIONAL EXTRAS

- Food stalls can be setup for visitors;
- A cash bar can be arranged;
- There are different accommodation options available for guests;
- There are different additional venues available.
